

- Course : EE 236 Principles of Robotics
- Instructor : Manuel C. Ramos, Jr.
(manuel@eee.upd.edu.ph)
- <http://202.92.132.69:8888/manuel> or
<http://10.158.11.8/manuel>
- Most of the preliminary stuff are on the site.

- Use of electronic communication devices are not allowed inside the classroom during class hours.
- Lecture starts promptly 10 minutes after scheduled start of class.
- My lectures typically last 50 minutes to an hour.
 - not a fan of long lectures.
 - do not want to bore you too much.
 - students must study too.
